

# Kura Revolving Sushi Bar Allergy Information

Last update 4/10/2018

\*Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness.

\*We openly handle several allergens throughout our stores, including wheat, soy, peanuts, eggs, dairy, shrimp and others.

\*Due to the design of our operations and shared cooking equipment, we cannot assure you that these ingredients will not have contact with your dish.

\*Please consult your doctor if you have any concerns about food allergies to make the decision that is right for you.
